

University applicants

Desired university subject

Mr. O | Mrs. O

First name : _____
Last name (family name) : _____
Street and house number : _____
Postal code and city : _____
Province : _____
Country : _____
Birth date : _____
Place of birth : _____

Phone number : _____
Mobile number : _____
E-mail address : _____
Wechat ID : _____

Electrical Engineering and Energy Engineering Study and/or University Subjects

- ☐ Electrical engineering
 - ☐ Electrical power engineering
 - ☐ Energy technology
 - ☐ Electronics
 - ☐ Power electronics
 - ☐ Automation technology
 - ☐ Electrical system technology
-

Automation technology, mechatronics and robotics: study and/or university subjects

Questions marked with the symbol O should be marked with a cross.
All data is subject to German data protection laws and will not be passed on to third parties.

- ☐ Mechatronics
 - ☐ Automation technology
 - ☐ Robotics
 - ☐ Industrial automation
 - ☐ Control engineering
 - ☐ Robotics & AI
 - ☐ Smart Manufacturing
-

Mechanical engineering study and/or university subjects

- ☐ Mechanical engineering
 - ☐ Mechanical Engineering & Production
 - ☐ Manufacturing technology
 - ☐ Industrial Engineering (Production)
 - ☐ Production technology
 - ☐ Vehicle technology
-

Industrial engineering studies and/or university subjects

- ☐ Industrial Engineering
 - ☐ International Industrial Engineering
 - ☐ Digital Engineering
 - ☐ Production management
 - ☐ Supply chain management
 - ☐ Technology management
-

Civil engineering study and/or university subjects

- ☐ Civil engineering
 - ☐ Structural engineering
 - ☐ Construction management
 - ☐ Infrastructure planning
 - ☐ Transport
 - ☐ Building construction / Building technology
-

Renewable energies study and/or university subjects

- ☐ Renewable energy
 - ☐ Energy technology
 - ☐ Sustainable energy technology
 - ☐ Environmental technology
 - ☐ Energy management
 - ☐ Solar technology
-

Questions marked with the symbol ☐ should be marked with a cross.

All data is subject to German data protection laws and will not be passed on to third parties.

Computer science studies and/or university subjects

- ☐ Artificial intelligence
 - ☐ Machine learning
 - ☐ Data Science
 - ☐ Cybersecurity
 - ☐ Cloud computing
 - ☐ Software engineering
 - ☐ Embedded Systems
 - ☐ IT security
 - ☐ Business informatics
-

Artificial Intelligence & Data Science study and/or university subjects

- ☐ Artificial intelligence
 - ☐ Data Science
 - ☐ Machine learning
 - ☐ Computational Science
 - ☐ Applied AI
 - ☐ AI Engineering
-

Medical technology studies and/or university subjects

- ☐ Medical technology
 - ☐ Biomedical engineering
 - ☐ Medical technology
 - ☐ Medical electronics
 - ☐ Digital Health
 - ☐ Biomedical systems
-

Biotechnology study and/or university subjects

- ☐ Biotechnology
 - ☐ Bioengineering
 - ☐ Molecular biotechnology
 - ☐ Pharmaceutical biotechnology
 - ☐ Life Sciences
-

Chemistry study and/or university subjects

- ☐ Industrial chemicals
- ☐ Chemical Engineering
- ☐ Polymer chemistry
- ☐ Materials science

Questions marked with the symbol ☐ should be marked with a cross.

All data is subject to German data protection laws and will not be passed on to third parties.

- ☐ Pharmaceutical Chemistry
-

Materials science study and/or university subjects

- ☐ Materials science
 - ☐ Materials engineering
 - ☐ nanotechnology
 - ☐ Polymer technology
 - ☐ Semiconductor materials
 - ☐ Battery technology
-

Microsystems Engineering / Microelectronics Study and/or University Subjects

- ☐ Microsystems technology
 - ☐ microelectronics
 - ☐ Semiconductor technology
 - ☐ Electronics
 - ☐ Nanotechnology
-

Systems Engineering study and/or university subjects

- ☐ Engineering + Software + Systems + Project Management
-

Automotive engineering / Electromobility Study and/or university subjects

- ☐ Vehicle technology
 - ☐ Vehicle electronics
 - ☐ Electromobility
 - ☐ Battery technology
 - ☐ Vehicle construction
 - ☐ Autonomous driving
-

Logistics and Supply Chain Management study and/or university subjects

- ☐ logistics
 - ☐ Supply chain management
 - ☐ International Logistics
 - ☐ Logistics Engineering
 - ☐ Digital Supply Chain
 - ☐ Transport management
-

Business informatics study and/or university subjects

- ☐ Business & IT
-

Questions marked with the symbol ☐ should be marked with a cross.

All data is subject to German data protection laws and will not be passed on to third parties.

SAP / Enterprise Systems Study and/or university subjects

- ☐ Business Informatics / Information Systems
-

Health management study and/or university subjects

- ☐ Health management
 - ☐ Healthcare Management
 - ☐ Health economics
 - ☐ Public Health
 - ☐ Digital Health
-

Location: _____

Date: _____

Signature of university applicant

Name in print: _____
